

Antistatic spray

This spray is a very effective cleaner designed to eliminate dust and prevent the build-up of static.

It has been specifically developed for use in areas where static build-up causes major issues. It is safe for use on plastic, metal, glass and synthetic surfaces. Developed with a "non-stain" formulation, it is also suitable for use on fabrics of any colour.

- Eliminates static discharges and prevents reoccurrence
- Prevents damage to voltage sensitive components and circuits
- Supplied in pump action bottle for use in hazardous working environments
- Safe on delicate surfaces; will not harm plastic surfaces which may be attacked by solvents

Typical properties

Form	Colourless liquid with lemon odour
Density (g/ml)	0,995
pH value	7-9
Boiling point (°C)	>100
Flash point	Non-flammable to BAMA tests

Using directions

Spray liberally on surfaces, **avoid spraying directly onto live electrical equipment!** Re-apply at regular intervals and increase use during dry weather conditions.

Packaging unit: 1 bottle (250ml)
Shelf life: 48 months
Art.-no.: RREINESDASA250ML
